

The Bible

The Bible is God's book and we can know it is different from any other book ever written.

Parents:

The Bible: The Greatest Book on Earth

Today your child learned that the Bible is The Greatest Book on Earth. It is an original, unique, one-of-a-kind book and it is written by God. Children heard that the Bible is filled with many different types of stories, it contains sixty-six books, and it does not have any mistakes in it. Because the Bible is from God, it is true, and we can believe what it says.
